

Patient Portal – Instructions

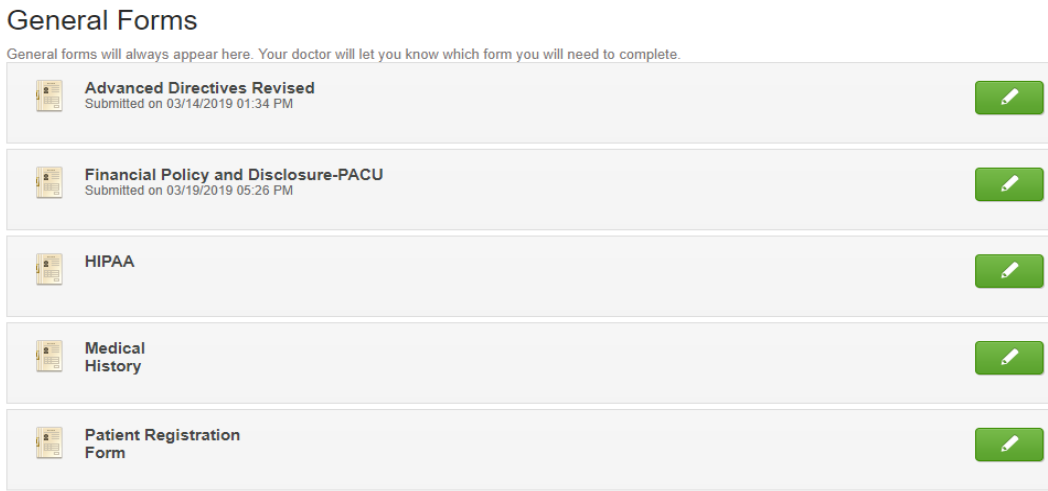

Step 1: Go to Palmettourology.com – in the top right-hand corner click “Patient Portal”

Step 2: Log in to your personal account, if you do not have one created yet please ask ANY of our staff member, they can assist you with this, once logged in click “I Accept”

Step 3: to update paperwork please choose the tab “forms” A fillable form will generate allowing you to complete all paperwork online, by hitting “Submit” it will automatically upload into your chart saving you from having to fill out paperwork in office! All new patients are required to fill out ALL forms shown.

Messages: please feel free to contact our staff via messages, all messages are returned within 24 hours.
